THE GENERAL STRIKE

I Causes of the General Strike.

a) From mid-1914 onwards many small trade unions had tried to improve working conditions, especially in the mines.

b) Pay too was very low though the trade unions had tried to fight.

c) Many people were killed in mines and by dangerous machinery in factories.

d) The end of the war in 1918 left many ill and wounded, and there was vast unemployment. Wages became lower so there were many strikes in 1919 and 1920.

e) During the war the entire coal industry had been nationalised by the State: regional differences in wages and conditions broke down. Also high wartime prices of coal benefited the miners.

f) In 1919 after the demand to keep nationalisation by the ILF several Royal Commissions were set up to find out the conditions of the coal industry. It recommended nationalisation and a wage increase. Wages were increased, hours reduced to 7 daily, but nationalisation was not to continue.

g) 1920-1921 - bad trade slump esp. affecting the coal industry. So the gov. gave up handling the industry. Smiths earlier...
than expected. Many other strikes too 1919-20. Many workers were unsatisfied. Miners held out 3 months on strike pay but no longer - caused g. hardship.

Immediate causes:

a) 1925 - coal prices slumped.

b) Owners were to reduce wages and extend working day on July 31st 1925.

c) M.F.G.B. did not agree and wanted the re-birth of Triple Alliance (unity of 3 unions). Other unions agreed but this time didn't break.

d) P.M. Stanley prevented strike by offering a subsidy of $14,000,000 for 9 weeks. Kill May 1st 1926. This only put off strike for 9 weeks - gave Govt. time to prepare for a General Strike

e) March 1926 Govt. & colliery owners agreed to re-organize coal industry but reduce wages & end Govt. subsidy. M.F.G.B. didn't agree.

Slogan "Not a minute on the day; not a penny off the pay."

II Events leading up to the General Strike.

Jan 1925 a) Coal prices slumped.

b) Owners & Govt. reduced wages & extended working day to 8 hrs.

c) This to be enforced on Friday 31st July 1925 (Red Friday)

Jul 1925 d) Miners' Federation prepared for battle with Govt.

(0) Transport workers agreed not to handle coal
1926

b) Sep. 1925 O.M.S. - Organization for the Maintenance of Supplies formed to organize volunteers to maintain vital services in the event of a General Strike.

c) 1926  

a) March - Royal Commission recommended reorganization of coal industry, reduction in wages and end of 900 subsidy.

Gov. agreed

Coal owners agreed

Miners Federation rejected it.

b) 13th April - coal owners announced 12½ to 15½ cut in wages a wk. from 1st May.

c) T.U.C. backed miners for a Gen. Strike.

d) 30th April P.M. announced final offer - 30% reduction of wages & extension of working day for 3 yrs. min.

e) 1st May T.U.C. members voted for G.S.

f) 2nd May disputes in Daily Mail over article 'For King & Country' stopped possibility of last minute agreement.  

Explain T.U.C. negotiating with Govt. to prevent General Strike - Govt. ended negotiations.

g) 4th May 1926 G.S. began.
III. Events of the General Strike.

a) Major industries stopped; smaller ones depended on them.

b) 1st out: railwaymen, transport workers, builders, chemical workers.

Gas & electricity workers.

Later joined by engineers & shipyard workers.

May 6th - Taxi drivers on strike.

c) Workers engaged in health, sanitary and food services allowed to continue. Soldiers accompanied food convoys and other troops used to keep docks and power stations active.

d) May 5th. O.R.S. began work: small to train and bus service, help in docks etc.

e) Gov. & T.U.C. both printed newspapers to gain support from the public. Gov. - The British Gazette

T.U.C. - The British Worker.

Neither newspaper had many readers.

f) Gov. used radio to broadcast reports. T.U.C. were not allowed to broadcast, nor Labour party.
IV  The End of the General Strike.

a) 12th May - T.U.C. representatives informed P.M. Baldwin that the strike would end that day. 1pm (i) They couldn't afford to, Gov. showed no signs of yielding (ii) public divided: but many against (iii) Ed. Ed. Balls offered probable compliance.

b) Work was not resumed in major industries the following day esp. miners.

c) 15th May wages were and men were degraded, pensions were reduced. Railwaysmen moved threatened: men on strike. But some desperately needed work: v. much against it.

d) Baldwin discouraged victimization: many returned to work on reasonable terms. Railwaysmen 25% sacked.

c) Though a £3,000,000 subsidy was given to the miners nothing was settled & the miners continued alone.

V  The Miners Alone.

a) Great hardship in mining areas: - Poor Relief introduced: -

   12/- a wk. women

   4/- a wk. child

   But many areas gave much less.

   After this they faced the problem of repayment.

b) Women's Committee for the Relief of Miners' Wives & Children was formed, 2nd after the G.P. ended. Money was raised by many different means - concerts, exhibiting signed cricket bats etc.

c) July - Gov. had to import coal though it was usually one of Britain's main exports.

d) Sep.- Oct. miners in the Midlands went back to work.
Sep. 5% of miners were back.

Nov. 29th - all except S. Wales, Yorkshire + Durham were back.

Dec. 1st - all miners back.

- They had to accept district wages, which were reduced, + the working day was incr. to 8 hrs.
  ¾ never got their jobs back.

VI Results.

a) Many smaller pits forced to close down.

b) Incr. unemployment.

c) Output of coal less; export trade suffered.

d) Markets lost during the strike were not all regained.

e) Conditions declined & many left the mining areas to join other industries.

f) 1927 - Trades Disputes Act made G.S. illegal & most those who wanted to pay political levy had to contract in— to reduce power sympathetic strikes illegal. Afghan party

-g) Many people began to support labour party i.e. 1929.

General Election Lab. party won a majority for the 1st time.

h) Apart from miners & employers there was a friendlier atmosphere in industries.

i) T.C. suffered q'tly. & many resigned.
