Copyright, international, United Kingdom, *Uncle Remus, and His Legends of the Old Plantation* (Joel C. Harris). "authorised edition" advertised by David Bogue 448

Copyright, international, United States, formal agreements, American view, authors' attitude, *American View of the Copyright Question, The* (Richard Grant White), believes "nothing short of absolute protection to authors, whether foreign or domestic" is adequate 99

Copyright, international, United States, formal agreements, American view, authors' attitude, *American View of the Copyright Question, The* (Richard Grant White), in publications of the month for June (trades, commerce and manufactures) 532

Copyright, international, United States, formal agreements, American view, Harper Bros. proposals, text of suggestions favoured by influential section of American publishers and authors 886-7

Copyright, international, United States, formal agreements, American view, *Publisher's Weekly, The* (New York), continues to be jubilant at prospect of speedy settlement of treaty between England and America 419

Copyright, international, United States, formal agreements, American view, Putnam, George Haven, supports proposed treaty but not three months clause 1183-4

Copyright, international, United States, formal agreements, *Bookseller's* view, questions view that all Americans support international treaty; authors, some American publishers, others with special or pecuniary interest but not American people or most booksellers 228-9

Copyright, international, United States, formal agreements, *Bookseller's* view, purchase of sole and exclusive right for America, perhaps including Canada, expected to increase prices, discourage buying and encourage borrowing 229

Copyright, international, United States, formal agreements, *Bookseller's* view, strong base provided by prohibitive duties and international treaty and entire English-speaking market will allow Harpers to compete with Longmans for control of future Macaulays 321

Copyright, international, United States, formal agreements, *Bookseller's* view, "the commerce of literature must command equal consideration with the profession of letters" 419

Copyright, international, United States, formal agreements, *Bookseller's* view, believes many members of trade will be astonished at possibility of terms being agreed; thought to be Harper proposal for extension of protection to English books provided they are manufactured in US and published within months of UK publication; seen as treaty for raising prices in US and enriching few English authors and US publishers 801

Copyright, international, United States, formal agreements, *Bookseller's* view, "trade will doubtless be gratified beyond measure by the intelligence that Mr. Daldy has been sent to Washington by the Government, to assist in negotiating an

International Copyright treaty with the United States"; "a representative publisher, of singular astuteness and most distinguished ability" 1013
Copyright, international, United States, formal agreements, British view, *Copyright. United States Convention. Correspondence*, in publications of the month for June (Parliamentary) 530
Copyright, international, United States, formal agreements, British view, Marston, Edward, letter to *The Times* 14 September, argues proposals favour American publishers by allowing them to purchase English author's entire rights; clause required that no American printed edition of an English author's work shall be permitted to be sold or in any way circulated in the British dominions either with or without the author's sanction and vice versa 882-3
Copyright, international, United States, formal agreements, British view, publishers' attitude, Smith, Goldwyn (Prof.), believes publishers are too late in starting to support a treaty because American people will not be shut out of their paradise of cheap reading; books like cotton, must be made for the market; should not expect public to give "etiquette price" for reading matter more than for any other article 1013
Copyright, international, United States, informal arrangements, Bohn, Henry George, "the very rumour" of Bohn's "being engaged upon [his] autobiography has brought him an offer from New York to purchase early sheets" although untrue 420
Copyright, international, United States, informal arrangements, Bohn, Henry George, "The one book, however, which, above all others, we have a right to expect from Mr. Bohn, is his autobiography" 599
Copyright, international, United States, informal arrangements, described how publishers who paid to have advance sheets sent to them were converted to support copyright by competition from cheap reprints 228
Copyright, international, United States, informal arrangements, Harper and Bros. and Charles Scribner's Sons both claim Carlyle's *Reminiscences* edited by Froude, Harper as work by Carlyle, Scribner as work by Froude 319
Copyright, international, United States, unauthorised editions, claimed that English authors originally had no claim to payment and expected nothing for American reprints and that they were pleased at compliment that "works were thought worthy of an American garment" 228
Copyright, law cases, *Dicks v Yates*, appeal over *Splendid Misery* determines that there has been no invasion of literary property 512
Copyright, law cases, *Millar v Taylor*, trade responded to decision that they had no perpetual right at common law by petitioning Parliament and issuing list intended to show that even the best authors take some years to sell 513
Copyright, legislation, bills, Copyright Bill, publications of the month May 4 (law and Parliamentary) 438
Copyright, out-of-print publications, *Uncle Walter* (Mrs. Trollope), new edition from Diprose and Bateman reviewed; "A tale which appeared more than thirty years ago, and after going through a number of subsequent editions, has been out of print for the last fifteen years" 1018
Copyright, patents, Eyre & Spottiswoode, Queen's Printers' Bibles advertised 49, 153, 260, 355, 453, 542, 629, 728, 928, 1081, 1215
Copyright, patents, Eyre & Spottiswoode, Queen's Printers' Bibles advertised, (Christmas supp) 143
Copyright, patents, history of Bible patent since Barker's revision in 1611 511
Copyright, perpetual, *Millar v Taylor*, trade responded to decision that they had no perpetual right at common law by petitioning Parliament and issuing list intended to show that even the best authors take some years to sell 513
Copyright, perpetual, universities, perpetual copyright in works given or bequeathed not now as lucrative as in the past 100
Copyright, piracy, "It must be a bitter pill to such of the publishers as live by grabbing at the present or past property of others, to see that of "Little Arthur's History of England" there were orders for 12500 copies [at Murray's sale] notwithstanding their benevolent endeavours to save Mr. Murray the labour of publishing it" 1013

Copyright, prices and, *Cambrian Biography* (Rev. William Rowlands), publisher announces cheap reissue in four half-crown parts; original publication "a loss to the publisher" 227

Copyright, prices and, *Endymion* (Benjamin Disraeli), cost of 31/6 in Britain contrasted with cost of 15 cents (7 pence halfpenny) in America 229

Copyright, prices and, *Life of His Royal Highness the Prince Consort*, Queen directs publishers to prepare cheap popular edition; after costing 5 pounds 8/- will be available in five sixpenny volumes; "after the example thus set by Her Majesty we may hope to see really cheap popular editions of Macaulay, of Froude, of Freeman, of Tennyson, and other authors before the legal term of copyright has expired" 879

Copyright, prices and, Longmans, "incredible" - "that one of the most conservative houses in the trade - Messrs. Longmans - have determined to meet the requirements of the times by the issue of some first-class popular copyright books at so low a price that they may really be called the cheapest books in the market" (Lady Brassey's *A voyage in the Sunbeam* 6d) 799

Copyright, prices and, *People's Ingoldsby Legends, The*, Richard Bentley & Son's sixpenny edition reviewed; "Considering that the work is still in copyright, this is an unmistakably enterprising step of the firm who originally produced the book, and who have already brought it out in almost every sort of style and size" (Christmas supp) 12a

Copyright, prices and, poetry, editions published for the benefit of the million "usually contemporary with the extirpation of copyright. The cessation of profits comes along with a wide extension of celebrity" 1019

Copyright, prices and, poetry, in November publications of the month (poetry and the drama) at 23 vols for 3/6 each 1056

Copyright, publications, *American View of the Copyright Question, The* (Richard Grant White), believes "nothing short of absolute protection to authors, whether foreign or domestic" is adequate 99
