DEPARTMENT OF STATE  
WASHINGTON

November 2, 1939

My dear Ambassador:

-15

I received your letter of November 1, informing me that you have been authorized by your Government to enter into the suggested conversations with regard to certain questions which have arisen from the decisions reached at the Consultative Meeting of the Foreign Ministers of the American Republics at Panama and that you expect to receive instructions with regard to these conversations.

I am very happy to know of the authorization which has been given to you by your Government, and I shall be ready to commence these conversations with you as soon as you may so desire.

Believe me, my dear Ambassador,

Yours very sincerely,

His Excellency  
The Right Honorable  
The Marquess of Lothian,  
British Ambassador.
