

Ref. 348/6/40.

Mr. Roger Miller 17

Unless you see some objection  
to appearing to press the S.D.  
I think we might remind them  
about our enquiry of Dec. 14<sup>th</sup>  
(91/122/39) about starting a  
British Post Office on Canton.

But you may prefer  
to leave it until either  
F.O. reminds us, or we ourselves  
reply to F.D. on the main  
question of the islands.

Let us give them

the thanks to
