SURFACE DESPATCH

In Mr. Dixon's sig.

Secret.

Dominions Office

14 Feb, 1939.

DRAFT.

J. E. Boyd-Shannon, Esq.
(D.O. to provide address)
and arrange for despatch.

C.O.S. 832
(Copy no. 27)

^{He} I should be grateful if
you would be good enough to
arrange for the enclosed copy
(no. 27) of a memo. ^(C.O.S. 832) by the
Chiefs of Staff, on the question
of New Zealand Co-operation in
Imperial Defence, to be handed
to Sir Harry Lyke on his
^{in New Zealand} arrival to attend the Conference
on matters concerning the Pacific
Islands.

It was felt safer to send
this document direct to New
Zealand than to send it to Fiji
and to risk its arrival there
after his departure.

FURTHER ACTION.
