I. A. C. 520.

INTER-DEPARTMENTAL COMMITTEE ON  
INTERNATIONAL AIR COMMUNICATIONS.

Proposed Conference on matters con-  
cerning the Pacific Islands between  
H.M. Governments in the United Kingdom,  
Australia and New Zealand.

(14)

With reference to I.A.C. 510, it will be remembered that at the 64th Meeting of the Committee (Item 3) it was recommended that a sub-committee, consisting of representatives of the interested departments and Imperial Airways, should consider the questions raised in that paper. A sub-committee was accordingly formed and held a Meeting at the Air Ministry on the 7th February. The record of that Meeting, including an aide memoire by the Foreign Office, is attached for the information of the Committee.

With the consent of the Chairman it has been agreed to regard the recommendations of the sub-committee as recommendations of the main committee. These recommendations having been endorsed by the Departments concerned, are being communicated to the United Kingdom representatives at the Conference.

E.B. BOWYER,  
Secretary.

Air Ministry,

25th February, 1939.
