Dear Mr. Dixon,

There is one point about the forthcoming conference of Western Pacific matters which ^{we should} want to clear up.

Copies of the Foreign Office and of the Colonial Office memorandum have gone direct to Sir Lt Duke & should reach him before he leaves Fiji.

~~As has been~~ I think ~~written~~ separately to you about the other memoranda, that if by any chance they do not arrive in time could you please let him have copies of them, as of all the other memoranda prepared here for the U.K. representation at the Conference?

Yours sincerely
