Dear Boyd Shannon,

There is one point about the forthcoming Conference on Western Pacific matters which we wish to clear up.

Copies of the Foreign Office and of the Colonial Office memorandum have gone direct to Sir Harry Luke and should reach him before he leaves Fiji. If by any chance they do not arrive in time could you please let him have copies of them, as of all the other memoranda prepared here for the United Kingdom representative at the Conference?

Yours sincerely,

(Signed) G. W. DIXON
