I think we  
might see

1. Off tel to F.O. Linnith: but note that Byrd himself was requested by the islanders to inform the High C<sup>o</sup> for the Western Pacific at Suva, and he presumably done so. Is the tel. to F.O. necessary?

2. I have asked N.A. if he is interested in the pm. of getting the transmitter back to Pitcairn from Panama; but Pitcairn is in the N.Z. command, not A.W.I., and Suva will presumably be seeing what can be done.

3. Would it not be desirable to thank the U.S.G. at once for Byrd's spontaneous assistance, info F.O. that we have done so? Submit a draft letter to ~~Mr.~~ Mr. Hull
