

Mr H. Miller, Jr.

H.E.

The State Dept. responded very promptly to our request that they should look after our interests in occupied Holland and Belgium; and consent similar action provisionally with our divisions in other "invadable" countries.

~~the~~ This was done through Hickerson who is very junior. Joe Davies is, I believe, the higher chief responsible.

I think it wd. be a good if H.E. wd. thank for this, when next he talks to any high official at the State Dept.
