Dear Webster,

I enclose a copy of a letter which I have written to Cribbett. You told me the other day that you were in fairly frequent touch with President Conant. Perhaps you would be so kind as to mention this question to him and ask him what his reactions are. It would also be useful to have his opinion of Ordway. His full name is J. A. Ordway, 2nd.

Yours sincerely,

(sgd) W. G. HAYTER
