Nothing to be Written in this Margin.

Could speak with Mr. Welles.

But the Jap^{se} seem to be talking to Sir R. Craigie in terms of the situation of some weeks ago. Whether this shows deceit or whether it means that nothing really has happened since Kowoye's original approach or that while the minds of the U.S.G. have been moving forward, they have not the Jap^{se} have not been kept informed of the development, I cannot guess.

The possibility however that the contents of F.O. tel No 5331 represent the stage now actually reached by the Jap^{se} + the U.S. together makes an attempt at securing further light from the S.D. appear desirable.
