Dear Hoyer Millar,

*-14*

You may recall that you wrote us on August 9th with regard to a Turkish Staff Mission which was then reported to be en route to the U.S.A. We had previously indicated that two officers of this Mission might be acting on behalf of the enemy.

We have now heard from London that no such Mission has departed for the U.S.A., but possibly you have already received this news. Therefore the matter which we raised in the first instance is no longer a problem.

Yours sincerely,

*Ingram Fraser*
