

SECRET

*Mr. Hoyer Miller  
Nav Power of U.S. 6208/47/4.*

To: Admiralty

From: B.A.D. Washington

Dated: 13th November, 1941.

SECRET.

GLEAM 162.

*-/37*

The memorandum handed to Mr. Cribbett before he left England by Lt. Colonel Clark of M.M.I.<sup>one</sup> showing the rates of pay to be offered by War Office to U.S. Technical Officers has apparently quoted British Army rates of pay.

2. Are we to offer British Army rates or Canadian rates as in the case of the other two Services?
